Fire wood - UNTREATED construction 2x4's minimum length of
each piece - 16"
("UNTREATED" means that no substance has been
added to the wood to enhance its natural
flammability).

Team: Minimum of 2 - Maximum of 4 unit members

Procedure: At the starting signal the team will prepare its fire and mix its biscuit dough and bake one biscuit. When their biscuit is baked to their satisfaction they are to present it to the judge. Event timing will stop when the judge receives their biscuit.

Scoring: The score will be based on the total elapsed time plus any penalties assessed based on the quality of the finished product.

Note: There will be a time limit of 10 minutes at the end of which the team must have a definite flame burning.

NOTICE

Safety must be practiced. Team will be disqualified if, in the opinion of the judge, any team member exhibits unsafe use of knife or hatchet. Judge's decision will be final.
