Junior & Teen Event (separate, not combined)

Equipment: (to be furnished by conference)

Six Constellation Name Cards

Twelve Constellation Cards

(The constellation cards will be square and will have one constellation on each card. Six will be correct and six will be reversed.)

Team: Minimum of 2 - maximum 6

Procedure: Team will line up in relay formation 20 feet from the Constellation Name Cards. At the starting signal, team member number one runs to Judge, selects a Constellation Card from the stack and places it next to the correct Constellation Name Card and runs back to tag team member number two, who repeats action and tags team member number three. Action continues until the team has gone through all six constellations.

Scoring: Scoring will be based on total elapsed time plus any penalties for any incorrect matches.

- Notes:
1. The team members will line up in the order which the judge will designate. If a team attempts to rearrange its order it will be disqualified.
 2. The Constellations used will be picked from the following Constellations:

Ursa Major

Orion

Virgo

Gemini

Leo

Lyra

Scorpio

Hercules
